

**Golfball washer:**

Reliable simple construction / ready for sponsor`s advertising / expected life time > 20 years, due to long lasting materials in construction. 6 years tests made on several golf courses in Norway.

Materials; polypropylene, rubber seals, brass, aluminium and stainless A4 screws.

Use a 1 gallon plastic can as supply water, and add 1 teaspoon of dish washer soap to the water.

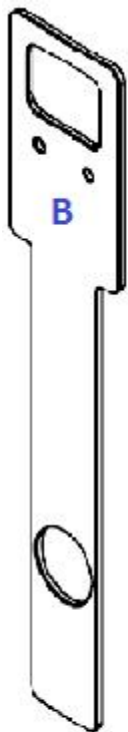

*Olav Magne Trydal statement: Utsikten (Fairview) Golfpark has used the Ball-it golball washer for 4 years, and pleased with a very user friendly washer. Maintenance cost those years = zero. As manager at Utsikten Golfpark – Kvinesdal og Omegn Golfklubb I can recommand the washer.*
